PROGRAMS

February is World Understanding Month. Beth Stubbs hosts our programs.

THURSDAY, FEBRUARY 4: This program is so exciting that Beth is keeping it a secret!

THURSDAY, FEBRUARY 11: Bruce Williamson, who recently traveled to Izmir, Turkey for a press conference and program kickoff, will give a presentation on our district's Health and Humanitarian Grant work with local Rotarians in Turkey.

AUCTION, FEBRUARY 26, 6:00 PM

Items? Sponsors? Bring 'em in! Forms are on the website. David Gill is chairing the event. You can drop off items at the Alcoa Tenn Credit Union office on Hall Road in Alcoa. Why do we need the money that will be raised? Scholarships, dictionaries, clean water projects! Don't be shy, ask somebody for something.
